## Referral Guide

Established Since 1995 – Over 30 Years of Experience

Charity No-1045025  
www.newlandsbishopfarm.co.uk

## How to attend

**Contact the team:** Get in touch with the team to arrange a show around and see the farm in action.

**Arrange an assessment:** Following from the show round we would then meet to conduct an assessment so that we can gain information about likes/ dislikes and more.

**Attend a taster day:** We offer taster days to those considering the farm so that they can make sure they feel comfortable with the farms work environment.

**Secure Funding:** Based on the information gained at the assessment we will then need to secure funding for the place from social services. We do also offer privately funded places.

## About Us

Newlands Bishop Farm provides adults with learning disabilities and mental health problems a safe and supportive environment to develop skills, confidence, and independence. We offer a range of work-based learning opportunities in areas such as horticulture, animal care, catering, and woodwork, helping individuals thrive through meaningful day activities.

### Our Strengths :

Comprehensive range of activities

Varied schedule to develop skills in a range of areas

Qualified, supportive staff here to help individuals thrive

### What do we offer

- Support to engage in a wide variety of activities to those leaving formal education
- Work experience opportunities for individuals who join our work scheme
- Blend of indoor and outdoor activities to complement learning styles

## Family and Carer Testimonials

Anna- Project Worker

“The farm has helped me see that there are so many opportunities for me in life and it has given me a real sense of purpose”

Andrea - Project Worker

“When I first started I was a bit nervous and quiet. When I arrived, I was met with staff who made me feel really welcome and from that point on I knew I was staying”
